Kate Nichols OTR/L, SIPT

Session 1: Tuesdays for 12 weeks

starting September 14th- December 7th

(No class 11/23)

Time: 1:00pm to 2:30pm

Cost: \$600+ \$20 material fee

The Write Start program will help make legible and fluent handwriting a skill that your child can easily master in a fun and engaging way. Our unique physical and sensory-based approach will facilitate improved fine motor, gross motor and handwriting development for all skill levels.

Session 1 specifically addresses:

Handwriting Development

Upper case letters using a developmental teaching order with emphasis on letter recognition and memory, formation, sizing, spacing, orientation, placement, sequence and start.

Fine Motor/Gross Motor Development

Visual motor integration, bilateral integration, motor planning and coordination, upper body strengthening, postural control, body awareness, directionality and grasp.
